 ”

“
 TIJV can, if requested to do so, assess all stages of the Bid process to ensure that not only is our clients SoW accurate but the technical and financial response meets the end need, is compliant with applicable standards and is cost effective.
 ”

“
 Comment by FIFA November 23, 2007 - FIFA President Joseph S. Blatter said: "In the cooperation with organizations like Spirit of Soccer and the support of programs that use football every day as a tool for social and human development, lies the essence of the Football for Hope Movement, and of FIFA's social responsibility."
 ”

Our Core Ethics

Integrity - Total transparency through accurate, regular, industry compliant written and oral reporting systems.

Quality - Ensuring all client targets are met through thorough understanding of all aspects of Mine Action QA/QC, Corporate responsibility and their application to the commercial sector in Iraq.

Efficiency - Delivering cost effective solutions that meet the needs of our clients & drive the project forward safely and effectively.
